

# GRAPPA Educational Workshop on Psoriasis and Psoriatic Arthritis

November 18, 2020 | Zurich

## PREAMBLE

### Dear colleagues

We are pleased to invite you to the GRAPPA Educational Symposium on Psoriasis and Psoriatic Arthritis taking place on November 18th, 2020 at Radisson Blu, Zurich Airport.

GRAPPA (Group for Research and Assessment of Psoriasis and Psoriatic Arthritis) is an international and interdisciplinary organization dedicated to enhancing research, diagnosis and treatment of psoriasis and psoriatic arthritis and facilitating networking among different medical disciplines. We are organising regular educational meetings worldwide and are pleased to invite you to our first meeting being held in Switzerland.

The scientific programme consists of keynote lectures about the management of psoriasis and psoriatic arthritis as well as hands-on workshops. The symposium is suitable for both rheumatologists and dermatologists.

This symposium – as all GRAPPA educational events – has a focus on interdisciplinary exchange and a limited number of delegates to guarantee lively interdisciplinary exchange as well as a hands-on experience.

We are looking forward to your participation and an interesting meeting.

Warm regards

**Prof. Wolf-Henning Boehncke**

*Médecin chef de service / Service de Dermatologie /  
Hôpital Universitaire de Genève*

**Prof. Philip Helliwell**

*Professor of Clinical Rheumatology / Leeds Institute of Rheumatic  
and Musculoskeletal Medicine / University of Leeds*
