CME accreditation will be requested

With the friendly support of

Dear Colleagues

The SONAR Group has been active in Switzerland for over 10 years. We are happy to present the most important findings and publications to you.

Prof. Iagnocco from Italy and PD Dr. Ziswiler are going to present their views based on current data on pro and contra scoring in Spondylorthritis and Rheumatoid Arthritis.

We are looking forward to an interactive course followed by a practical workshop with the experienced instructors of the SONAR Association.

THE WORKSHOP TAKES PLACE AT KURSAAL BERN ON
THURSDAY, DECEMBER 7TH, 2023 FROM 12:00 TO 17:30 h

Please confirm your participation by November 24th 2023 by scanning the QR code and registering online, by returning the reply form or sending an email to nicole.huegli@abbvie.com. The number of participants is limited to 40.

After receipt of your registration, confirmation will be sent.

For more detailed information, please contact your AbbVie AG representative or the project manager Nicole Hügli.

We are looking forward to an interactive course.

PD Dr. med. R. Micheroli
President SONAR
