«RHEUMATOID ARTHRITIS AND SPONDYLOARTHRITIS – FOCUS HIP AND HAND PATHOLOGIES»

May 29th, 2024
15:00 – 19:30 h

Clinica Luganese Moncucco
Via Soldino 5 | 6900 Lugano

Dear Colleagues,

The SONAR Group has been active in Switzerland for over 10 years. We are happy to present the most important findings and publications to you.

Dr. med. Marco Etter and PD Dr. med. Raphael Micheroli are focusing in their presentations on the pathology of hips and hands.

We are looking forward to an interactive course followed by a practical workshop with the experienced instructors of the SONAR Association.

THE WORKSHOP TAKES PLACE AT CLINICA MONCUCCO ON
WEDNESDAY, MAY 29TH, 2024 FROM 15:00 TO 19:30H

Please confirm your participation to Lorenzo Gentile by May 3rd, 2024 or by sending an email to nicole.huegli@abbvie.com.

For more detailed information, please contact your AbbVie AG representative Lorenzo Gentile or the project manager Nicole Hügli.

We are looking forward to an interactive course.

PD Dr. med. R. Micheroli
