

SONAR SCORING COURSE

«Ultrasound WIN Session»

Tuesday | 17 November 2026

13:00 –18:00 h

Kursaal Bern

Kornhausstrasse 3 | 3013 Bern

Dear Colleagues

The SONAR Group has been active in Switzerland for over 15 years. We are happy to present the most important findings and publications to you.

Prof. Dr. Lene Terslev from Rigshospitalet in Copenhagen (Denmark) will have a keynote presentation on salivary gland, followed by an interactive discussion together with PD Dr. Raphael Micheroli from University Hospital Zurich (USZ) on Tradition vs. Innovation in Ultrasound.

We are looking forward to an interactive course followed by a practical workshop with the experienced instructors of the SONAR Association.

THE WORKSHOP TAKES PLACE AT KURSAAL IN BERN ON
TUESDAY, 17 NOVEMBER 2026 FROM 13:00 TO 18:00 h

Please confirm your participation by 30 October 2026 either by scanning the QR code, registering online or sending an email to nicole.huegli@abbvie.com. The number of participants is limited to 40.

After receipt of your registration, a confirmation email will be sent to you.

For more detailed information, please contact your AbbVie AG representative or the project manager Nicole Hügli.

We are looking forward to an interactive course.

PD Dr. med. R. Micheroli
President SONAR
